Important Information

The Premium and all accompanying charges are detailed on your Policy Schedule. Your intermediary/broker receives up to, but never exceeding, the regulated maximum commission payable in terms of the Short-Term Insurance Act.

This Policy is a Health and Accident Policy offered under the Short-term Insurance Act.

- Premiums are payable monthly in advance, on your chosen debit order strike date. Non-payment of Premiums may lead to the rejection of a claim or cover being suspended and any Benefit payable will be suspended until all arrear Premiums have been received by Kaelo or the Insurer.
- If the Premium is not paid on the payment date, you have a **30-day grace period** after which we will automatically deduct the arrear Premiums (i.e. do a double deduction) from the same account to ensure continuous cover. If this Premium is also not paid you **will have no cover for the period for which you did not pay.**
- If the arrear Premiums are still not received after the attempt to do a double deduction, then you have another **30-day grace period** after which we will automatically deduct the arrear Premiums (i.e. do a triple deduction) from the same account to ensure continuous cover.
- Should your Premium remain **outstanding after the third month** your cover will be **cancelled as of the last day of the month** in which you made your last successful payment.
- Should you cancel or stop your debit order, it will be deemed that you have cancelled your cover and you **will not enjoy the 30-day grace period.** In the event that you reinstate your Policy thereafter, your Policy will be treated as a new Policy and the grace period will only apply from the second month of cover.
- Your **cover starts on the first calendar day** of a particular month and cannot be backdated.
- Your Premium will be **reviewed annually.**
- The Insurer **may adjust the Premiums by giving at least 31 days written notice** to the Policyholder.

Other Matters of Importance

You will be informed in the event of any material changes to this information provided. A polygraph or lie detector test is not compulsory in the event of a claim and the failure thereof may not be the sole reason for repudiating (rejecting) a claim.

You will be given reasons, in writing, by the Insurer in the event of a claim being repudiated (rejected), as well as full details of steps that can be taken, and timelines that you will need to stick to, if you do not agree with the Insurer's decision.

The Insurer must give you at least **31 days'** written notice of its intention to cancel the Policy.

You will always be entitled to a copy of the Policy free of charge.

If you decide that this cover does not suit your needs and no Benefit has yet been claimed, you have **14 days** from when you receive our Policy to cancel the Policy in writing and any Premiums that have been collected before then, will be refunded within **31 days** after your cancellation notice is received.

How to Institute a Claim

If you have a claim, please contact us on any of the Claim Department's contact details given above.

Claims must be submitted to the UMA for processing within six months of an event. Claims submitted after six months will not be paid.

On receipt of your claim, you will receive an email and SMS notification confirming receipt of your claim as well as updates regarding the status of your claim.

Once your claim has been approved, funds will be paid into the personal bank account of the Policyholder via EFT and not to the service provider directly.

How to Submit a Complaint

If you have a complaint, please contact us on any of the Complaint Department's contact details given above.

1. Please note that all complaints must be addressed to us in writing.
2. If any complaint about your intermediary/broker is not resolved to your satisfaction, you may submit your complaint to the FAIS Ombudsman, whose address appears at the foot of this notice.
3. If any complaint to the UMA is not resolved to your satisfaction, please contact the Insurer and if it is still not resolved to your satisfaction, you may submit your complaint to the Short-Term Insurance Ombudsman or the FSCA, whose addresses appear at the foot of this notice.
4. In terms of the Policyholder Protection Rules, if you dispute the outcome of your claim you have 90 days from the day you are first informed of the outcome to notify us about your objection (complaint). Immediately following this you have a further six months within which to take legal action and serve a summons on us or escalate to the ombudsman. If you do not do so within this period, your right to challenge the decision is forfeited.

Sharing of Insurance Information

Insurers share information with each other regarding policies and claims with a view to prevent fraudulent claims and obtain material information regarding the assessment of risks proposed for insurance. By reducing the incidents of fraud and assessing risks fairly, future Premium increases may be limited. This is done in the public interest and in the interest of all current and potential Policyholders.

The sharing of information includes but is not limited to information sharing via the Information Data Sharing System operated by TransUnion ITC on behalf of the South African Insurance Association. By accepting or renewing this insurance, you or any other person that is represented herein, gives consent to the said information being disclosed to any other insurance company or its agent.

You also similarly give consent to the sharing of information regarding past insurance policies and claims that you have made. You also acknowledge that information provided by yourself, or your representative may be verified against any legally recognised sources or databases.

By accepting or renewing this insurance, you hereby consent to such information sharing with regards to underwriting or claims information that you have provided or that has been provided by another person on your behalf.

In the event of a claim, the information you have supplied with your application together with the information you supply in relation to the claim, will be included on the system and made available to other insurers participating in the Information Data Sharing System.

Sharing of insurance information is done in accordance with applicable legislation, as well as our Privacy Notices which can be found on our websites: www.kaelo.co.za and www.centriq.co.za

Use of Your Personal Information

When you enter into this policy you will be giving us your personal information that may be protected by data protection legislation, including but not only, the Protection of Personal Information Act, 2013 (“POPIA”). We will take all reasonable steps to protect your personal information.

You authorise us to:	
1.	Process your personal information;
2.	Communicate information to you that you ask us for;
3.	Provide you with insurance services;
4.	Verify the information you have given us against any source or database; and
5.	Compile non-personal statistical information about you;
6.	Transmit your personal information to any affiliate, subsidiary or re-insurer so that we can provide insurance services to you and enable us to further our legitimate interests including statistical analysis, re-insurance and credit control.
7.	Transmit your personal information to any third-party service provider that we may appoint to perform functions relating to your Policy on our behalf.
8.	You acknowledge that this consent clause will remain in force even if your Policy is cancelled or lapsed.

Waiver of Rights

No intermediary/broker, Underwriting Manager or Insurer may request or persuade in any manner a Policyholder to waive (give up) any right or Benefit granted to the Policyholder by or in terms of any provisions of the General Code of Conduct, or recognise, accept or act on any such waiver by a client. Any such waiver is null and void.

Conflict of Interest

We have considered the conflict-of-interest provisions in terms of the FAIS Act 37 of 2002 and the Policyholder Protection Rules and have not identified any actual or potential conflicts of interest, either ownership interest, financial interest, third-party relationships, associates or distribution channels as defined.

We adopted a values-based approach where the spirit of the legislation is embraced. This is reviewed at least annually and reported to the Financial Sector Conduct Authority. A Conflict of Interest Management Policy is available to Policyholders upon request.
